BILL TO

Ramos Cleaning, Inc.
4200 S. I 10 Service Rd. W. Ste 115
Metairie, LA, 70001

PROJECT

Guesty → Google Sheets automation
Nightly cleaning-schedule build across five markets - 2026-08-02 → 2026-09-04

Services rendered	Detail	Hours	Rate	Amount
Discovery, Guesty API integration and data pipeline	Authentication, paginated reservation retrieval, field mapping, and the transformation into schedule rows.	12.	\$125.00	\$1,500.00
Scheduling logic	Same-day turnover detection, early and late arrival/departure codes, and multi-unit properties split into one clean per unit.	6.5	\$125.00	\$812.50
Google Sheets write layer	Writing without destroying the team's tick boxes or formatting; monthly tab routing and automatic creation of new months.	7.	\$125.00	\$875.00
Daily change tracking and visual marking	Highlighting of new and amended bookings, permanent strikethrough of cancellations, and per-cell colour coding for turnovers and adjusted times.	5.	\$125.00	\$625.00
Reliability engineering and automated scheduling	Shared credential caching within the provider's daily limit, once-per-day execution that tolerates late delivery, and safeguards that stop rather than corrupt the sheet on bad data.	6.	\$125.00	\$750.00
Cloud infrastructure and deployment	Google Cloud project, storage and service-account configuration; scheduled deployment pipeline with manual override and safety toggle.	5.	\$125.00	\$625.00
Data remediation of existing records	Removal of ~1,600 duplicated rows and 454 out-of-market rows; correction of cancellation marks that had drifted onto live bookings.	4.5	\$125.00	\$562.50
Testing, deployment supervision and documentation	142 automated checks; supervised live runs across several mornings; written handover covering operation and the manual controls.	6.5	\$125.00	\$812.50

		Total hours	52.5
		Subtotal	\$6,562.50
Family discount	%	15. %	-\$984.38
		AMOUNT DUE	\$5,578.13

PAYMENT

Payable to Christopher Maraist
Method Zelle (Preferred) or Check
Reference RCI-2026-01

NOT INCLUDED

Work on the Connecteam job-scheduling integration is under way and is deliberately excluded here. It will be billed separately once jobs are live in the Connecteam account. Ongoing monitoring and maintenance is also not included and can be arranged under separate terms.

Please include the invoice reference with payment.
